We have purchased the Haitian coffee for a fundraiser. It's selling pretty well so far.

We have roughly \$433 in cash reserves and also have the money in our Chapter accounts.

Rotary Donation

Rotary donated \$250 for our practice cistern.

Andrew wrote a proposal for an additional \$1300 this semester and \$4000 for next year. We got the \$1300 for this semester and they are working on the \$4000 for next year.

Eboard Meetings

We would like to have a couple of interested members attend our Eboard meetings. This way we can get your opinions on things related to the chapter and possibly prepare you for an officer position in the future. We meet at 12pm on Wednesdays on the patio at Wackadoos. Please let us know if you will be joining us.

Puzzle Hunt

The puzzle hunt will start at 11am in front of Millican Hall on Saturday, November 20, 2010.

Invite people! We haven't had as large of the response as we had hoped. Emails have been sent out to CECS.

We'll try to table this week in the atrium and sell coffee while promoting the event.

Andrew will discuss it briefly at an ASCE meeting.

You can pre-register through the ewbucf.org website for \$10 or register on Saturday for \$15.
